Michigan's Recurring Credit Card Plan

Available to anyone with a policy written through Michigan Insurance Company.

FAILED TRANSACTIONS

If we are unable to charge your credit card on the scheduled payment date, in most cases we will make a second attempt in two business days. If we are still unable to successfully charge your account, a paper invoice will be generated for that installment. All future installments will also be billed on paper unless you take action to reinstate credit card payments.

CANCELLED POLICIES

If a policy on the Recurring Credit Card Plan is cancelled, the balance of unpaid earned premium will be charged to your credit card account on the next scheduled payment date.
